TOP FEATURES

Overview

Meet the perfect addition to your sewing room: Brother's NS1150E embroidery machine! Effortlessly embellish any of your projects with this affordable, feature-filled, mid-size professional embroidery machine. The NS1150E's 5" x 7" embroidery area and awesome range of included features makes this the perfect machine for all embroidery enthusiasts. Choose from any of the 138 built-in embroidery designs (including 11 fonts), and embroider at a speed up to 650 stitches per minute. What's more, the NS1150E responds to your needs...automatically! With the push of a button, your needle is threaded; push another, and your thread is cut. Now that's time-saving convenience!

Built-in embroidery designs and lettering fonts

138 built-in embroidery designs, 11 fonts (7 alphabet, 1 cyrillic, 3 Japanese).

Large embroidery area

Maximum embroidery field of 5" x 7". Includes one 5" x 7" embroidery frame.

7.4" from needle to arm

The perfect amount of space to the right of the needle so you can easily maneuver your embroidery projects.

650 stitches per minute

Embroidering designs at up to 650 stitches per minute means that you can create more works of art in less time!

Design editing features

Amongst included features are letter editing, enhanced zoom, resizing, rotating, repositioning and combining designs.

3.2" easy-view colour LCD touch screen display

Use the brightly lit, touch screen LCD display to easily manage all your embroidery functions.

Built-in USB Port

Easily import designs from your USB memory stick.

Advanced needle threading system

With the push of a button, your needle is automatically threaded!
