Innov·ís 40 | Innov·ís 80 *Easy to use functions.*

You may be new to sewing, or maybe you are looking for a sewing machine that's easy to use, if so, the **NS-40** is the perfect choice. The 'jog dial' makes it very user friendly. Simply turn it to the stitch you require and you are ready to go. What could be easier! And with the LCD display you can see at a glance information about the stitch width and length. Even needle threading is quick and easy with the built-in needle threader. Simplicity does not mean a compromise on features - there are 16 stitches to choose from, including 3 different buttonholes, to give that professional looking finish.

The **NS-80** is the perfect choice for those of us who want to get more creative. It is feature packed with 135 built-in stitches, including 10 buttonholes, that you can quickly and easily select at the touch of the key pad. The built-in lettering can be used to create labels or monogrammes - you can even combine up to 35 different stitches to create your own stitch patterns!

The NS-40 and NS-80 models are so simple to use. Here are just some of their practical features:

Central controls
Handy central controls help to make sewing simpler. Job dials and electronic touch pads provide finger tip control of stitch functions.

LCD display
See at a glance information about your stitch - such as the length and width and type of pressure foot required.

Quick set bobbin
Just drop in a full bobbin, thread in the direction of the arrow and you are ready to sew.

F.A.S.T bobbin winder
Winding bobbins is fast and simple. Just wind the thread around the bobbin through the guide slot and press the start button.

Automatic needle threader
Needle threading is quick and simple with a one step action.

7-point feed
Extra teeth ensure a smooth feeding action and superior stitch quality. Sew smooth pin point seams on any weight of fabric, from sheer silk to denim.

LED sewing light
Effectively light your workspace with the LED light. It uses a fraction of the power of a traditional bulb and it will last the life of the machine.

Features	Benefits	Innov-ís 40	Innov-ís 80
Built in Stitches	Number of stitches built into the machine to help create your project.	40	80*
One step buttonholes	The one step 'auto size' buttonhole function creates perfectly uniform buttonholes in a single action.	5 styles	10 styles
Automatic needle threading	Threading the needle is so simple, at the touch of a button.	✔	✔ Advanced
LED sewing light	A bright light that comes on automatically. Gentle on the eyes making it easier to work on dark fabrics.	✔	✔
7 Point feed	Extra teeth provide a smooth feeding action and superior stitch quality on any weight of fabric.	✔	✔
Drop feed	Feed dogs are easily lowered for free motion or free hand sewing – useful when quilting or for embroidery.	✔	✔
Needle stop position	Select whether the needle should be up or down when the machine stops. A useful function when turning material, sewing corners or joining quilt pieces.	✔	✔
LCD display screen	A clear display showing you important sewing information such as stitch width/length and type of pressure foot required.	✔ **	✔
Error message	Alerts you to an incorrect setting.	✔	
Stitch pattern selection	Ability to quickly select the stitch pattern required.	Jog dial	Key pad
Case	Protect the machine when not in use.	Soft	Hard
Stitch reference panel	A detachable quick reference guide so you can see all your available stitches.	–	✔
Initial needle position function	Lets you move the needle to the left or the centre making it easy to sew your fabric at exactly the point you wish.	✔	✔
Lettering	Choose the lettering stitches to create names, labels and monogramme features on your work.	–	✔
Combining patterns	Create your own stitch patterns by combining up to 35 stitches.	–	✔
Stitch width control by speed lever	Create your own zigzag patterns easily, while sewing with the slide control.	–	✔
Mirror imaging	For more stitch variety use this function to create a mirror image of your stitch pattern.	–	✔
Repeated single sewing	Choose whether the stitch pattern will be sewn once or repeatedly.	–	✔
Vertical pattern adjustment	Enables you to adjust the length of your decorative stitch patterns.	–	✔

*Including buttonhole styles   **Width/Length information only
