7-Point Feed Dogs

Stitch with minimal fabric guiding and achieve perfectly formed stitches with the wide-set 7-point feed dogs that allow for smooth and easy feeding of almost every material.

Easy threading

With its advanced automatic needle-threading system, the NX-800 makes threading the machine and the needle effortless.

Easy to read LCD display screen

Makes it easy to manage all sewing functions, including stitch selection, stitch length and width and recommended presser feet.

Presser Foot levelling

Keep the presser foot level for smooth, consistent stitching over changing fabric thickness, such as the start of a seam or crossing seams.
