

The Quilter

Sewing & Quilting Machine - PQ1500SL

Extension table with bobbin case opening

Helps you manage those large projects. Easy access point eliminates the need to remove table to replace oversized metal bobbin.

Up to 1,500 stitches per minute

High-speed straight stitch to finish all your gorgeous creations.

Automatic thread cutter

Automatically cut the upper and lower thread with built-in thread cutter.

Exclusive pin-feed mechanism

Moves several layers of fabrics simultaneously for sewing accuracy.

Fully adjustable feed dog levels and presser foot pressure

Colour coded to coordinate presser foot pressure and feed dog height. This is a great feature when stitching with different fabric thicknesses or difficult fabrics to give you smooth consistent stitch quality.

The Quilter is the essential machine that belongs in the sewing room

of every serious quilter and seamstress. It is a high-speed straight stitching machine, sewing up to 1,500 stitches per minute! The PQ1500SL offers an adjustable pin feed mechanism, 4 feed dog settings for maximum fabric control, a knee lifter and bed extension table for quilting, full-range foot pressure adjustment, an automatic thread cutter and easy needle threader – a time-saving convenience.
